We have nothing on our computers or in our houses to confirm or deny this below story. All the evidence is in Kevin Rudd Office, Files.

Do your dam jobs, you corrupt sell out bastards, all the following information is out there on the Internet for you to find, research and take action upon, you have agents, researchers, managers, office full of staff sitting on their fat asses doing nothing.

Greetings Friends

From around the World, the following information came to us via a few people connected with the (LNTC) Libya National Transitional Council, the rebels that over threw Col Gahaffi in Libya, we cannot **"Confirm"** the story is true or not.

Sorry people.....we are doing our best!

Also we cannot give names, they come from sources within the Libya National Transitional Council Members, who didn't want to be identified.

So let us make that quiet clear to everybody straight up.

Anyway here is the story, a few of our members, writers, authors, investigators, researchers were trolling through some chat rooms the other day, and come across a Chat Room with some Libyan People in it, they professed to belonging to "Libyan National Transitional Council".

They were making a joke of Ex – Australian Prime Minister Kevin Rudd, now serving as Australian Foreign Minister in the "Gillard – Swan" Labour Government.

They were having a great laugh at him, taking the piss out of Kevin Rudd, because listen to it, so the people were saying Kevin Rudd approached them asking for their help to carry out a Terrorist Attack of sorts in Australia, which would help him to over throw Julia Gillard and grab back the Leadership and Prime Ministership of Australia.

They were all laughing and thought it was a great joke, some Australian who they never seen or heard of before coming asking for their help.

They were asking what's in for it for them?

Why should they help this Rudd fella?

A Bit of background information.

Background Information

Australian readers & residents and informed people, that's 35 % - 40 % of the population who are not under CIA – MK Ultra Mind Control / Totally Brainwashed will know and read.

Dec 2011 Australian Foreign Minister Kevin Rudd MHR flew to Libya to meet some of the “Libya National Transitional Council Members”

What For?

Yeah to sell more Australian Wheat?

To sell more Australian Iron Ore?

To sell more Australian nice Juicy Lamb Chops?

Why would an Australian Foreign Minister fly to Libya to meet and talk to these people for?

Australia never sent SAS Troops to help America, England and NATO overthrow Col Gadhafi?

Australia didn't have a dog in that fight?

Australia has no stake in the re-building of Libya after the above 3 culprits (USA, England and NATO) Bombed the country back to the stone age, so as to put it in debt to the World Bank – IMF as a debtor of the Kharza Zionist Jewish Bankers.

Why is Kevin Rudd MHR Australian Foreign Minister going there to meet these people for?

Educated readers will also know these Libya National Transitional Council Members were and are a collection of **"Al Qa`eda" Terrorist like Groups** the same our Western Troops were suppose to be fighting in Afghanistan / Iraq?

Why is Kevin Rudd Foreign Minister going for Secret Meetings with them for?

Here is a few stories to refresh peoples memories!

- ASIO, Australian Federal Police Corrupted

Libyan Rebels Listed by US State Department as Terrorists

NATO leaders are guilty under US code of providing material support to terrorists.

Libyan Rebels Listed by US State Department as Terrorists

<http://theintelhub.com/2011/09/03/libyan-rebels-listed-by-us-state-department-as-terrorists/>

In March 2011, the London Telegraph reported that Libya's rebels had direct ties to Al Qaeda and that both leaders and fighters had spent time in both Iraq and Afghanistan combating US troops.

Under Australian Terrorism Laws

Under Australian Law Al Qaeda is listed as a Terrorist Organization, being a member of it, supporting it via Weapons, Money and other material support is Illegal.

By Australia supporting the Rebels in Libya, who have confessed to belonging to the Terrorist Group Al Qaeda, they are in true fact breaking the law.

- The Law is written very clearly "Al Qaeda" Is listed as a Terrorist Group!
- Being a member of this group is against the Law!
- Supplying Weapons, Money and other Material Support to a Terrorist Group is against the Law!

***** Isn't that what David Hick's was tortured into confessing and being found guilty of?

For helping fight with Al Qaeda in Afghanistan?

For lending material support to a Terrorist Group?

So there is the story people,
believe it or not!

We just thought with the amount of Terrorism being carried out in the World at this present time, carried out by corrupt sell out.

Police, Military and Intelligence Agencies for an on behalf of corrupt Governments and Politicians it was important to report this story to readers.

That way if a Terrorist Attack happens during the lead up to the overthrow of Julia Gillard, and beyond when Kevin Rudd takes back the Leadership & Prime Ministership, people would know who to blame and where to look.

I don't see NO Muslims going to meet these LNTC people in Libya asking them and their resources through the Muslim Community to carry out a Terrorist Attack in Australia Killing (Australian Citizens in Cold Blood)

All I see is Kevin Rudd MHR – Current Australian Foreign Minister meeting these people in Libya.

Lastly it should be remembered in the story and article on site here titled: -

Lloyd T Vance exposes Kevin Rudd MHR – Current Foreign Minister as supporting and calling for A One World Government Owned & Controlled By The Kharza Zionist Jewish Bankers

And Run by America and Israel forcing all the Worlds countries under their control, this includes Australia.

The fight between Julia Gillard and Kevin Rudd is who will lead Australia and commit the most **"Treasonous"** **"Treacherous ACT"** of them, placing and signing Australia over to American & Israel control for and on behalf of the Zionist Jewish Bankers sheer greed and power.

Woooooow – This is Mind Blowing!

There will be some people who say, the above is just slander – straight out slander against Kevin Rudd MHR and if it gets back to Kevin Rudd and his staff they will deny all knowledge.

Right folks lets try and stay calm and not panic and be logical about this and ask a few simple questions to ourselves and see if there is any remote possibility of the story being true.

Lets ask a few questions?

- 1) Would Kevin Rudd and his staff tell the truth about the above if confronted?

Answer: - NO – He would lie through his teeth!

- 2) What supportive evidence is there, that Kevin Rudd has supported Terrorist Acts?

Answer: - Kevin Rudd positions he held are!

- Shadow Foreign Affairs Minister
- Prime Minister
- Current Foreign Affairs Minister

During these period's Kevin Rudd and his personal staff have COVERED UP – Help COVER UP!

- A) Sept 2001 Terrorist Bombings in NYC
- B) Madrid Bombings
- C) Bali Bombings
- D) London Bombings

- E) Numerous other "False Flag Terrorist Attacks"
- F) Numerous other "Staged False Flag Events"

3) During Kevin Rudd time as Prime Minister did he or his Government charge and prosecute Ex – Prime Minister John Howard and his Senior Ministers including Tony Abbott for "War Crimes?"

For taking Australia to War in Afghanistan & Iraq based upon Lies!

Answer: - NO, he let them off

4) During Kevin Rudd time as Prime Minister did he "**SACK**" or have charged any Management people from Office of National Assessments, ASIO, ASIS or Australian Military who changed all "**Australian Security & Intelligence Information**" on books to match what USA and England was saying about Afghanistan and Iraq?

Answer: - NO, he left them off the hook, in fact promoted some people for their crimes and lies.

So based upon 1) – 2) – 3) – 4) information, then there is strong support to say the above story is possibly true!

An Old Saying: -

If it looks like a Duck, Quacks like a Duck and Walks like a Duck, then probability it's a "**Duck**", so based upon Kevin Rudd record or supporting Terrorism, we must then believe this story to be true!
